2.	Tender document download start date & time	18-05-2026, 02:00 PM
3.	Online Bid End date & time	09.06.2026, 02:00 PM
4.	Bid opening date & time	09.06.2026, 02:30 PM

Online Bid opening meeting: HAFED Corporate Office, Sector-5, Panchkula (Haryana).

1. For and on behalf of the HAFED, (hereinafter called the Federation) the, Managing Director, HAFED invites online bids under two bid system for hiring of PEG godowns (also referred as warehouse) constructed under Private Entrepreneur Guarantee Scheme of GOI/ FCI whose guarantee has been expired/expiring or other godowns meeting the specifications in “Lease only” or “Lease with Services” category, at the locations/ districts specified herein.
2. The owners may offer their godowns for hiring to HAFED, as per existing conformity i.e. godowns originally hired on 'lease only' basis must be offered for hiring on 'lease only' basis and as such the godowns originally hired on 'lease with services' basis be offered on 'lease with services' basis only.
3. The total rated capacity of godown would be offered. However, HAFED may rehire/ takeover partial/ full/ nil capacity of the offered warehouse, as per requirement.

4. The initial period of hiring shall be three years extendable by two year at the same terms and conditions at the sole discretion of HAFED. The warehouse can be vacated by HAFED under exceptional circumstances by giving three months' notice, at any point of time.
5. The godowns offered for hiring or re-hiring of PEG godowns on 'lease with services' basis should be registered with WDRA, however, the bidders who have applied for WDRA registration shall also be eligible to participate in the tender provided that the registration process shall be completed within three months from the date of award of work, failing which the contract shall be summarily terminated and Security deposit shall be forfeited. Further, this shall not apply to warehouses to be offered on 'lease only' basis, as registration of such warehouses would be done by the Nodal Agency as per final decision of WDRA/ GOI.
6. Bids submitted through e-tender will only be considered for further process. No hard copy/ physical form of tender bid shall be accepted, prior to opening of technical bid.
7. Tender documents containing terms and conditions can be downloaded from website i.e. <https://gem.gov.in> and website www.hafed.gov.in. The bids completed in all respects duly filled in and signed by the tenderer or his authorized representative with stamp/ seal of the Company or firm or individual would be accepted online till date **09.06.2026 at 02:00 PM** and online Technical Bid will be opened on date **09.06.2026 at 02:30 PM** in the presence of the tenderer or his authorized agents (who may wish to be present at their own expenses), by duly constituted committee of officers.
8. Calculation of ceiling rate for bid and rent of the godown:-
 - a. In godowns hired under 'Lease only' model, the latest PEG rates of that particular godown may be kept as ceiling. Here services are provided by HAFED.
 - b. In godowns hired under Lease with Services model (with applicable increase/decrease i.e. 33% of increase/decrease in WPI (Wholesale Price Index) as inbuilt in the PEG Contract). The derived rate on escalation (as given in the tender) shall be the ceiling.
 - c. Similar principle shall apply for PEG godowns hired on Actual Utilization Basis (AUB) for entire lease period or part thereof, where guarantee couldn't be given due to various reasons.
The location wise and category wise ceiling rates are mentioned in table given at point No 12.
9. **Procedure of awarding tender: -**
 - a. If the rate received is less than or equal to the ceiling rate, the tender may be awarded to the lowest bidder as per the requirement of Federation/FCI after efforts to bring down the rate through the process of negotiation.
 - b. **In case the rate received of new party is lesser than the PEG rates of existing investor, the same can be approved by HAFED. In this case, if, the capacity offered by the new party is less than the capacity required at that location then the capacity offered by the next tenderer which may be existing PEG investor, can be hired as per requirement of HAFED.**
 - c. If the received bid amount is higher than ceiling rate, HAFED will make all efforts to bring down the rate less than ceiling rate through negotiation process. In case, lowest bidder does not agree to reduce the bid amount at ceiling rate or less than ceiling rate, HAFED will negotiate with existing PEG owner to bring his rate at par with ceiling rate or lower. In case, existing PEG owner agrees to provide the service at ceiling rate or less than ceiling rate, lease may be extended. In case PEG owner does not agree to provide the services at ceiling rate or less than ceiling rate, HAFED shall cancel the tender.

Provision of Part hiring

In case of part hiring, there are some locations where requirement of space is less in comparison to capacity through PEG Scheme. As such there may be provision of part hiring (Shed-wise), so that in any centre the capacity re-hired through the Scheme may not exceed the total requirement at that centre. Moreover, remaining capacity of said godowns if required at later stage may be taken over by HAFED on the same rate, terms and conditions.

10. A normalization factor of Rs*per quintal per KM. will be applied to all the bids received for a location from the railhead while evaluating the price bid. In case of Road-fed warehouses, distance from nearest FCI warehouse (owned or hired) be taken for normalization. (*to be filled by R.O. as applicable for PEG Scheme-2008).

Normalization would be applicable only when two or more bids are received for a particular location. In that case, all the bids shall be normalized for comparison. Normalization factor would be applied to all the bids for the distance from the railhead to derive lowest bidder. Rate of lowest bidder such derived will be counter offered to all other bidders in case the required capacity is not offered by the L-1 bidder.

(In case of Road-fed warehouses, following factors may be considered for deciding the L-1 bidder).

Transportation cost from nearest feeding base depot (owned or hired) Rate offered

(Nearest feeding base depot and transportation rate shall be declared in advance.)

In godowns hired under Lease with Services model (with applicable increase/decrease i.e. 33% of increase/decrease in WPI (Wholesale Price Index) as inbuilt in the PEG Contract). The derived rate on escalation (as given in the tender) shall be the ceiling. No revision in rate is allowed in case of warehouse offered without services.

11. The Warehouse can be vacated by **HAFED** in exceptional circumstances by giving three months' notice only. The minimum capacity to be taken on hire shall be 2500 MT. **GST is exempted for the warehouse offered "with lease with services" category.** Bids submitted through Haryana e-procurement portal at <https://gem.gov.in> only will be considered for further process. No hard copy / physical form of tender shall be accepted.
12. The details of locations where warehouses are required alongwith the location wise and category wise Ceiling rates are given as under:-
 - (i) Godowns in Lease only category: The Warehouse will be hired strictly as per the requirement of HAFED.
13. **The tender must be accompanied by an EMD @Rs.20/- per MT for capacity offers as per e-tender terms through NEFT/RTGS/IMPS/BT as mentioned above within prescribed time.**

14. For details of process of online submission of bid, conditions of qualification, documents to be submitted, EMD and Security deposit bidders should go through the tender terms and conditions thoroughly. It is understood that the tenderer has gone through all the terms and conditions before submitting his tender.
15. **The successful tenderer shall furnish within 7 working days of the acceptance of his tender a Security deposit @ two month's rent (storage charges) of the capacity offered by him in case of lease with services and one month rent of (storage charges) of the capacity offered by him in case of lease only.**
16. After evaluating the Technical Bid of all the parties considered fit, the financial/price bid of technically qualified parties will be opened on date & time to be fixed subsequently, in the presence of the concerned tenderers/authorized representatives who may wish to be present at their own expenses.
17. The tenderer shall furnish all the details as prescribed in the Tender form. The details of the warehouse as per the criteria should be furnished adequately and the selection will be based on suitability of the warehouse for the intended purpose.

Warehouses offered on “**lease with services**” basis:-

caused to the goods to the Warehouse Service Provider or his authorized representative forthwith or give notice within three working days of his examining goods otherwise it may be presumed that HAFED has no claim against the Warehouse Service Provider for loss / damage. Similar notice for claim of damage will be given to the Warehouse Service Provider or his authorized representative by HAFED representative in case he comes to know of the loss/damage/ deterioration / down gradation while the goods are in the warehouse.

4.6 For delivery of goods before and after office hours and on holidays, reasonable / prior intimation / notice shall be required to be given to the Warehouse Service Provider or his authorized representative.

5. HANDLING & TRANSPORTATION:

5.1 The matter of appointment of Handling & Transport contractor will be purely on merit vis-a-vis utilizing services of the existing HAFED contractor or appointed through open e-tender inquiry by HAFED as per existing MTF for the purpose. The Warehouse Service Provider shall have no claim/objection for the same.

6. STORAGE CHARGES:

6.1 HAFED shall pay to the Warehouse Service Provider storage charges at the rates agreed by HAFED.

6.2 The payment of storage charges to the Warehouse Service Provider in respect of reserved space shall be made by HAFED in the succeeding months in which the bills are raised.

6.3 The Storage charges agreed are for Foodgrain i.e. wheat, rice, paddy, coarse grain and sugar only. HAFED will be authorized to store other items like Gunny bales/ Gunny bundles, Twine, Dunnage materials etc. for which 1 % of the reserved space would be provided for free of storage charges since the above items are related to the stocks.

6.4 Any claim will be deducted by HAFED from the monthly rental Bills of the Warehouse Service Provider after giving due notice.

7. INITIAL FUMIGATION:

7.1 For stocks received in infested condition, necessary remarks shall be recorded by Warehouse Service Provider and intimated to HAFED in writing by the Warehouse Service Provider to the consignee HAFED District Manager within 24 Hours about the nature and intensity of infestation with the request to get the stocks inspected by HAFED QC staff within 2 days. If, no one from HAFED inspects the stocks within 2 days of receipt of communication, the Warehouse Service Provider can go ahead with the fumigation immediately thereafter and maintain the records for future inspection by HAFED Officials, which would be acceptable to HAFED and accordingly claims for fumigation charge would be settled by the consignee HAFED Divisional office”.

The Rates of Initial fumigation charges as fixed by HAFED from time to time shall be applicable”

Further, Warehouse Service Provider should arrange fumigation immediately on detection of infestation during storage & submit ATR on disinfection to HAFED within a week time failing which recovery is to be effected.

7.2 In respect of stocks dispatched from the warehouses of the Warehouse Service Provider, if the same are found to be dispatched in infested condition, as substantiated by records and facts, HAFED shall claim fumigation charges at rates prescribed from time to time by HAFED, against Warehouse Service Provider (Dispatching warehouse).

8. INSURANCE:

8.1 The Warehouse Service Provider shall undertake to exercise reasonable care and diligence as is required from a Bailee under the law for keeping the stocks of HAFED. The stocks stored in the Warehouses shall be insured indemnified against the risk of fire, flood & inundation, cyclone, riots & strikes, earthquake, malicious damages, theft, house breaking, burglary, misappropriation and the whole charges on this will be borne by Warehouse Service Provider. The beneficiary of the insurance policy taken by the Warehouse Service Provider shall be HAFED.

8.2 The insurance of stocks will continue to be undertaken by Warehouse Service Provider at the estimated average acquisition cost on which Govt. of India has taken the same in the costing sheet.

8.3 In the event of any loss, HAFED will cooperate with the Warehouse Service Provider in furnishing necessary details for finalizing the claim for compensation by the Insurance Company.

8.4 The Warehouse Service Provider will settle the claim with HAFED on the declared value after occurrence of the incident. The value of the loss shall be recovered by HAFED from the monthly rental bills. In case the same is not sufficient to cover the losses, the Warehouse Service Provider shall be liable to deposit the balance amount immediately,

failing which HAFED shall be at liberty to initiate appropriate legal proceedings against the Warehouse Service Provider.

- 8.5** The liability of the Warehouse Service Provider will be limited to the value of the goods calculated at the average acquisition cost on the date of deposit or on the date of occurrence of loss, whichever is lower.

Website link for Average acquisition cost: <https://fci.gov.in/storages.php?view=405>

9. MAINTENANCE AND REPAIRS OF THE WAREHOUSES

The Warehouse Service Provider shall be responsible for day to day maintenance of the warehouse/premises and other allied facilities and any damage to the stock on any account shall be recoverable from the Warehouse Service Provider. The Warehouse Service Provider shall maintain all approach roads to the warehouse/premises in good and motorable condition. The Warehouse Service Provider shall, during the terms of tenancy keep the warehouse/premises in leak-proof and waterproof condition and fit in all respects for storage of food grains. The Warehouse Service Provider shall carry out at their own cost such repairs to the roofs, floors, walls, doors, windows etc. of the warehouse/premises as may be necessary and keep the warehouse/premises fit in all respect for the storage of food grains within seven days of the receipt of notice from the HAFED. If the Warehouse Service Provider neglects and fails to carry out the necessary repairs then the HAFED shall have the right to get the repairs done at the cost of the Warehouse Service Provider and the same shall be deducted from the immediate storage charges due to the Warehouse Service Provider and the balance, if any shall be recoverable from the Warehouse Service Provider's future storage charges or the security deposit of the Warehouse Service Provider, as the case may be. If the complaint is not attended to promptly, the storage charges of the warehouse/premises are liable to be stopped for adjustment of the repairs executed, expenses etc. In case, the warehouse/premises become unusable due to structural defects etc. or otherwise (not attributable to the HAFED), the payment of the storage charges of the warehouse/premises will be suspended and will not be paid for the period, when the same remains out of use for keeping the food grains etc.

10. FREE MOVEMENT OF STOCKS:

No hindrance should be there in receiving the stocks or for moving the stocks in the warehouse/premises and for persons engaged by the HAFED to oversee the warehouse operations. The Warehouse Service Provider shall keep the warehouse/premises as well as documents pertaining to stock of HAFED open for inspection any time to the officers/staff duly authorized by the HAFED. In case, Warehouse Service Provider fails to provide such facility, the HAFED will have the option to terminate the agreement forthwith.

11. PROVISION OF FACILITIES FREE OF COST

11.1 The Warehouse Service Provider (in Lease with service category) shall provide all the warehousing facilities at par with SWC/ CWC including proper stacking, scientific storage and treatment of the stocks, fire-fighting measures, round the clock security, proper prophylactic & curative treatment, regular repair and maintenance of the warehouse/ premises, weighment of the stock, providing electricity & water etc. (List is illustrative and not exhaustive).
