GENERAL CONDITIONS

1. The quantity of material may vary upto 20% at the sole discretion of the Sugar Mills at any time. Delivery schedule can also be changed by the Sugar Mill at any time. Tendered quantity shall further be keeping in view the existing requirement and the Mills shall not be bound to sale the tendered quantity.
2. The tenderer must enclose with the offer latest Notifications regarding application of taxes/duties for the items for which they are quoting rates in respect of various states from where the tendering firms will effect supplies. The tendering firms should also send Notifications if revised during the finalizations of the purchase and must bring the latest notifications in the meeting of Committee.
3. The tenderer shall furnish a certificate in their offer that the rates quoted by them are the highest possible which they have quoted to any of their customers during the currency of the contract period. However, if they ever feel constrained to quote higher rates to any of their customer during the said period, they undertake to intimate the same immediately to the Sugar Mills and allow the same hike in rates automatically. If they violate this undertaking and the Sugar Mills come to know of such hike on their own/through their own resources, then the Sugar Mills shall be entitled to recover the double the difference in such rates on the entire quantity purchased alongwith cost and damages from tenderer.
4. The Tenderer would ensure that the entire quantity must be lifted from the Mills as per the Delivery Schedule provided to the Tenderer. In case of any delay in lifting of material as per delivery Schedule, a penalty @ Rs.2/- per bag per day will be

imposed, security will be forfeited and the lapsed quantity will be sold on the risk and cost of the buyer.

5. That in case of stoppage of lifting by the Buyer, not only would the Security be forfeited, but also if risk purchase is to be made on the risk and cost of the supplier, then the credit balance lying with the Mill, would be liable to be adjusted against such risk purchase.

6. **Payment Terms :-**

- (1) Sugar will be lifting from the sugar godowns of the mills including Excise duty etc.
- (2) Period of lifting 10 days or negotiated.

B. SPECIAL CONDITION FOR NEGOTIATIONS

- 1.(a) The price discovery for the Rate Contract shall be generally determined based on the rates quoted by the H₁ bidder and the negotiations, if any, held with the highest bidder. However, the rate contract negotiations could be held up to H₃ bidder, if the difference between the H₁ quoted rates and those quoted by the H₂ and H₃ is within 5% of the H₁ quoted rates. In cases where the H₁ bidder refuses to further increase his offered price and the H₂ or H₃ bidders come forward to offer a price which is better than the price offered by H₁ bidder, the bidder whose price is accepted becomes the H₁ bidder. However, in such a situation, the original H₁ bidder shall be given one more opportunity to match the discovered price. In case of acceptance, he would be treated as the H₁ bidder.
 - b) In cases where there is only one bidder for a particular item and the price quoted by such H₁ bidder is accepted by the indenting department as being reasonable, the order for the entire quantity such item could be placed on such bidder.
 - c) In case, more than two firms are approved, the H₁ bidder, whose finally discovered price becomes the basis for making counter-offers to other qualifying bidders, would continue to be accorded priority for allocation of share quantities, which may go up to 50% of the total estimated quantity of the Rate Contract subject to his offered quantity, capacity to purchase orders / commitments in hand and previous track record.
 - d) In cases where there are more than one bidders consenting to accept the H₁ discovered price in response to the counter –offer, the quantities shall be allocated among H₂ & above approved bidders, as the case may be, based on the principles of (i) H₂ / H₃ position (viz H₂ bidder shall be preferred over H₃ bidder & so on (ii) offered quantity, (iii) capacity to purchase, (iv) Sales turnover, (v) orders in hand, and (vi) previous track record in execution of orders (as per the information available in the DNIT).
 - e) It may not be necessary to make a counter – offer of the discovered price to all the bidders quoting within 10% of the H₁ quoted rates. Instead, such counter-offer may be restricted up-to H₃ if they have the capacity to meet the entire order. However, if the H₂ or H₃ bidders do not accept the counter offered rates, the counter offer in that case could also be extended to other bidders whose quoted rates are within 10% price range. This is likely to increase the competitiveness.

C. Sale preference

Sale preference upto 50% of the tendered quantities may be allowed to the Industrial Units located in Haryana on the highest valid rates, provided:

- a) The buyer –firm claims sale performance in the tender.

- b) The firm submits the registration certificate for the quoted item and valid sale preference certificate issued by Industrial Department alongwith the tender.
 - c) The firm submits an undertaking that their sales office for the purpose of billing is based in Haryana and all the billings are/ will be raised from Haryana only.
 - d) The gross rates of the firm claiming Sale Preference are not higher than 10% of the highest valid gross rates received in tender and the Haryana based firm agreed to the highest gross rates.
1. Where more than one tenderer claim Sale Preference and fulfill all the above conditions, 50% quantity covered under sale preference may be divided between them on proportionate basis keeping in view the quantity /delivery period quoted by them.

D. SPECIAL CONDITIONS TO TENDER

- 1 The rates should be quoted per quintal, lifting period i.e.10 Days.
- 2 In case successful bidder fails to lift the Sugar as per sale order or the terms mutually agree upon. Any loss suffered shall be at the cost of purchaser.
- 3. The tenderer shall be responsible for any late irregular and non lifting of the material(s) to the mills. In that event the sugar mill will sell the material in open market at the risk and cost of the purchaser and the purchaser will be responsible for all the losses suffered by the mills on this account.
